
Jack Kent Cooke College Scholarship Opportunity

The [Jack Kent Cooke Foundation](#) has partnered with the College Board to increase scholarship opportunities for students who've taken the PSAT/NMSQT® and PSAT™ 10.

Scholarships can open doors for students who aspire to go to college but don't have the funds. The Cooke Foundation provides one of the largest scholarships in the country for high-achieving students with financial need.

Did you know?

More than half (54%) of the students who won the Jack Kent Cooke College Scholarship last year took the PSAT/NMSQT and PSAT 10 and were discovered through Student Search Service®.

The Cooke College Scholarship seeks out underrepresented students of all races, backgrounds, and ethnicities through the PSAT/NMSQT and PSAT 10.

The application deadline is November 20, so encourage eligible students to apply soon (exclusively through the Common App).
