March 2023

Greetings LuHi Family,

This has been a busy year for all of us at Lutheran High School. We want to continue to share our advancements as we make progress in the developments for the future. Below, are a few of the most recent items on the Board of Directors' agenda:

*The Board of Directors is beginning the Call process to search for a permanent principal for Lutheran High School. Currently, Zack Klug has been serving as interim principal.

Here are the names currently under consideration:

Derek Bult
Adam Kirsch
Zack Klug
Andrew Schultz
Matthew Tschudy
Nathan Wingfield

*Lutheran High is looking to add several key positions to the faculty, including but not limited to, teachers of religion, biology, and Spanish. If you know of anyone interested in teaching in a Christ centered environment, please have them contact the school office at 217-546-6363.

*The Board of Directors has been looking at site options for the potential future Lutheran High School campus. An architect has also been retained to draw up plans for a new building.

*A decommissioning of the W. Washington Street campus will take place in June. Reverend Stuenkel will preside.

*Many local Lutheran congregations participated in a "garage sale" at the Washington Street campus, purchasing items they could use in their own congregations and providing some revenue for Lutheran High. A public sale will take place in the late spring to sell off any salvageable materials from the old campus.

*Demolition of the main building at the Washington Street campus will take place in late summer.

As a reminder, the Board of Directors continues to meet regularly to strategize the most sensible path forward for Lutheran High School. As always, we ask for your prayers for our ministry at Lutheran High School.

Should you have any questions or concerns, please feel free to reach out to either one of us.

In His Service,

Zack Klug
